HIGHLY RECOMMENDED BY "CAPS"!

"A study in England found English children to be two years behind their Scottish peers. The reason? In Scotland, there is a strong emphasis on teaching "phonics". Now in England children are required to do 20 MINS/DAY on phonics alone."

ANT BOOKS has tried-and-tested workbooks and mini-reference books ("Pocket Ants"), as well as our brand new "SOUNDS WILD" Phonics Reader Series – fun and amusing stories based on the Kruger Park.
